

1. RESEARCH SUPERVISION

Signature of Research Supervisor: _____

Print Name: _____ Supervisor's E-mail: _____

Graduate Appointment(s) of Supervisor: _____

Address of Supervisor: _____

****All applicants, incl. non-thesis and/or non-traditional (non U of T) graduate program applicants, must submit a letter from their potential SGS-qualified supervisor attesting that he/she will be taking full responsibility for the trainee to receive a well-structured research experience for a minimum of two full years.**

2. CLINICAL DEPARTMENT & FUNDING

Please **attach a letter of support from your Specialty/Subspecialty Program Director** with whom you have discussed this application, verifying the following: **(N.B. Program Director also SIGNS page 3)**

- your status and year of training in your postgraduate medical education program
- endorsement of your registration in the Clinician Investigator Program, incl. guarantee of min. 80% protected research time, and departmental funding guarantee for min. 2 years (cc'd to Dept Chair & Business Officer)
- your research potential, interest, and ability to complete program

I have discussed this with my Program Director and understand the appointment & funding conditions specific to my program.
 _____ initial by applicant.

N.B. CIP registrants may commence the research component of CIP training at any time agreeable to the **CIP Advisory Committee, the Program Director, and the participating Graduate Unit**. However, application to and acceptance into CIP must occur while applicant is registered in an accredited RCPSC-accredited resident program.

Expected completion date of **clinical training**: _____

☐ I have applied to my clinical department for funding, e.g., Surgeon Scientist Program; Clinician Scientist Program (Medicine/Psychiatry) (specify program) _____

☐ I have funding for a minimum of two years (granting agency, departmental, other)

Agency: _____

Amount: _____ Start Date: _____ End Date: _____

PLEASE NOTE: The MOH-CIP Award covers the learner's salary and benefits under the PARO-OTH Agreement for one year of the two-year program. MOH-CIP funded positions cannot be deferred to a future academic year. If your training status will be changing during the year or you are currently on leave, please reach out to uoft.cip@utoronto.ca **prior** to applying.

3. STREAM TO COMPLETION - There are two streams to completion of the CIP research component. Please complete only one, section A OR B.

• **ALL APPLICANTS MUST SUBMIT A CURRENT CV, A ONE-PAGE OUTLINE OF THEIR RESEARCH PROJECT, AND A LETTER OF INTENT (all requirements listed on the CIP website at [CIP Website - Prospective Trainees/Application Guide](#))**

A. Graduate Stream Applicants

CIP applicants who do not already hold a Ph.D. degree must spend a minimum of two years engaged in full-time study in a research program leading to a M.Sc. or Ph.D. degree.

☐ I have applied to graduate unit(s) (specify) _____

☐ I have been accepted into graduate unit _____ Proposed Start Date _____

☐ I have already commenced graduate studies in (specify graduate unit) _____

B. Postdoctoral Stream Applicants

- start and end dates of your research project summary of previous research experience copies of publications (first page only)
- letter of reference from your previous research supervisor and/or Ph.D. supervisor
- letter confirming to follow standard procedures for monitoring of progress in CIP, and listing any courses to be completed (if required)
- List of two additional faculty members who, together with your supervisor, will serve as your research advisory committee and meet with you every six months to evaluate your research and progress
